Dear Patti,

I need to report to you a change in VIN numbers on a trailer of ours.

VIN #0202 reported in Dec. '80 has been changed to VIN #1W9PNRU24JM011001.

A distributor had purchased this trailer in 1980 and has never sold it, so we changed the VIN number to an updated number showing it to be a 1988 model trailer.

Sincerely,

*Mary Williamson*
