Attention: VIN Coordinator, NRM-12, Rm. 5320C

As requested in the "Vehicle Identification Number Information Bulletin" which we received, the following is the necessary information to decipher all characters of the VIN which The Job Shop, Inc., is using.

The VIN is: 1J9U5121__LH090__ __ __. Following is the information for each digit:

- 1, J, 9 - assigned by SAE
- U - utility trailer
- S - standard body type
- 1, 2 - length (12')
- 1 - number of axle (1)
- __ - check digit
- L - model year (1990)
- H - plant location (Hesston)
- 0, 9, 0 - assigned by SAE
- __, __, __ - production sequence (beginning with 001)

IP.

Hopefully, this information is complete and satisfactory.

Sincerely,

THE JOB SHOP, INC.

James A. Blough
President
