ORIGINAL

Dear Peggy:

Many thanks for your help with my questions!

This letter is to comply with 49 CFR Part 565.5 and Part 566. Below you will find the information requested plus the various identifiers we have adopted for VIN calculations:

Manufacturer - Hanson-Speier Corporation doing business as L & M Machine & Fabrication and as American Trailer Systems

Address - 825 Sanborn Place, Salinas, CA 93901

Incorporated in California

We manufacture trailers that are custom-made for the customer and we manufacture a motorcycle trailer that weighs approximately 175 pounds.

1. Our WMI is 4LV
2. Type of trailer (Space 4):
  - M = Motorcycle Trailer
  - J = Motorcycle Trailer with Jet Ski Adapter
  - S = Motorcycle Trailer with Snow Machine Adapter
  - B = Motorcycle Trailer with Bicycle Adapter
3. Series/Body Type (Space 5):
  - 1 = Custom Made
  - 2 = 87 inch Single Bike Trailer with large Tires
  - 3 = 94 inch Single Bike Trailer with Large Tires
  - 5 = 87 inch Single Trailer with Regular Tires
  - 6 = 94 inch Single Trailer with Regular Tires
  - 7 = Double Motorcycle Trailer
4. Plant Location (Space 11):

1

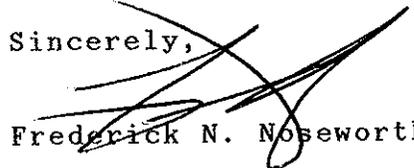

1 = 825 Sanborn Place, Salinas, CA 93901

5. Spaces 12 through 17 are sequential beginning with 000001.

All other Spaces are dictated by your tables and the check digit.

Please let me know if you have any questions.

Sincerely,

  
Frederick N. Noseworthy
