Dear Sir,

Enclosed please find Attachment "A" to the Vehicle Identification Number (VIN) as established by Nu Wa Industries, Inc. Attachment "A" illustrates how to decipher the Nu Wa VIN.

Note the addition to the second section of the VIN - the letters A and B. The letters are added to indicate two new series of Recreational Vehicle Trailers to be produced by Nu Wa Industries, Inc.

This information is being submitted 60 days prior to the date we actually intend to commence affixing a VIN to the new series of trailers. Target date for affixing the first new series VIN is May 31, 1994.

Please review the information and advise if any additional information is required.

Sincerely,

Michael Anderson
