Ms. Proctor:

We would like to thank you for your help in getting us started with our manufacturing company and for sending us the information.

Enclosed are the sheets with the VIN #'s and a list indicating what each number represents.

4 p.

If there is any other information that you need or any other forms or regulations we need to know about we would very much appreciate it if you would let us know. If the enclosed information is everything you need we would like to know that also.

Thank you,

Kirk Lehman
