Dear Ms. Proctor:

Please find enclosed our revised Vehicle Identification Number Assignment Form. This new form takes effect on 08-01-94 and reflects only one minor change in our reporting. We have added the following items to the existing form.

- 1. **Type of Trailer:** we have added the (E) classification for Equipment lowboy trailers
- 2. **Series/Body Type:** we have added the (1) classification for Std. Lowboy

There are no other changes to this form or reporting procedure. Please advise if we are not in compliance with your department's regulations.

Respectfully,

Noah Holloway
