Re: Vehicle Identification Number Scheme

Ladies and Gentlemen:

The following numbering scheme is submitted on behalf of Mauck Special Vehicles, Inc. for its manufacture of multi-purpose passenger vehicles with a gross vehicle weight rating over 10,000 pounds:

1M9130G39RP089001 ✓

An explanation of the series is as follows:

<u>Position</u>	<u>Character</u>	<u>Description</u>
1	1	From SAE
2	M	From SAE
3	9	From SAE
4	1	Line 1, First production model, 1120S, with MSV standard body and chassis design
5	3	Series 3 denotes 12 ft. wheelbase
6	0	Standard body type with two gull winged cab doors, one 36" side door and full width rear hatch
7	G	Engine type: Gas
8	3	Gross vehicle weight rating: 10,001-14,000 lbs.
9	9	Check Digit
10	R	1994 Model Year
11	P	Plant Location: Plain City, Ohio
12	0	From SAE (Volume < 500/year)
13	8	From SAE (Volume < 500/year)

<u>Position</u>	<u>Character</u>	<u>Description</u>
14	9	From SAE (Volume < 500/year)
15-17	001	Sequential production number

The foregoing information is submitted on behalf of:

Mauck Special Vehicles, Inc.
9011 Heritage Drive
Plain City, OH 43064
614-873-1402, Fax: 614-873-1105

Please do not hesitate to contact the undersigned if questions arise.

Respectfully submitted,

Wendy L. Myers
General Manager
