RE: VIN Deciphering System

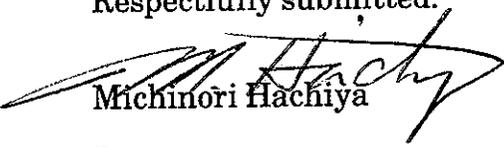

Dear Dr. Martinez:

Nissan North America, Inc., with the specific authority of Nissan Motor Company, Ltd. hereby notifies the National Highway Traffic Safety Administration of a revision in the Vehicle Identification Number (VIN) deciphering system for the 1995 model year, pursuant to the requirements set forth in 49 CFR part 565.5; " Vehicle Identification Number - Content Requirements ". The revisions, which are reflected in the enclosed VIN Coding Chart for passenger cars, are as follows:

- 1) Position #5 - "Line/Series" code "B" revised to include the "Sentra Classic" vehicle that will be used in conjunction with the "3" in the "Model Change" designation in Position #6.
- 2) Position #7 - "Body Type" revised to include "2-Door Sedan" which will also be used in conjunction with the "3" in the "Model Change" designation in Position #6.

I believe that this information satisfies the requirements set forth in 49 CFR Part 565.5. If there are any questions or if you require further information, please contact Mr. Toshio Horiuchi of my staff at (202) 466-5284.

Respectfully submitted:

  
Michinori Hachiya

Director  
Technical Affairs
