Dear Sir:

Enclosed are three copies of a revised VIN Coding System Document covering 1995MY Suzuki Sidekick MPV's and the Samurai Truck Model. This document replaces those forwarded to your agency this past June 3, 1994 as part of a group of Geo and Suzuki vehicle VIN Coding System Documents, and a revised document dated August 10, 1994..

This revision issued September 12, 1994 now provides detailed 2nd section VIN Information under Line, Body Type, and Engine Type.

Please replace the previously submitted 95MY Suzuki Sidekick, Samurai VIN Coding System Document with this version issued September 12, 1994..

Thank you for your assistance in this matter.

Sincerely,
