Attention: Ms. Peggy Proctor, VIN Coordinator

Dear Ms. Proctor:

Further to the requirements of 49 CFR 565.5, I am enclosing an amendment to the 17 digit VIN number to be affixed to the Morgan cars which we shall sell in the United States. That amendment is the addition of the letter "D" to the letters "C" and "R" which are currently alternatives for the 8th digit of our VIN, as follows:

Second Section
8 Indicates chassis build letter, which shall be C or R or D

Thank you for your assistance in this matter.

Catford CDH Engine 1600
R Rover Eng V8 3.5 or 3.9L
D-Ford Trans Com 1000

Yours sincerely,

W. R. Fink
President
