Re: Revised 1995 Model Year Suzuki Passenger Car VIN Coding System Document dated 1/31/95

Dear Sir:

Enclosed for your agency's use are three copies of a revised Vehicle Identification Number Coding System Document covering the 1995 Model Year Suzuki Swift and Suzuki Esteem passenger car models.

The original Vehicle Identification Number Coding System Document forwarded to your agency on June 3, 1994, covered only the Suzuki Swift. The revised document contains information for a new 1995MY passenger car model, the Suzuki Esteem, along with the previously submitted information for the 1995MY Suzuki Swift models.

Please replace the previously submitted 1995MY Suzuki Swift VIN Coding System Document with the revised 1995MY Suzuki Swift and Esteem VIN Coding System Document identified as Revision I, dated 1/31/95.

Thank you for your assistance in this matter.

Sincerely,

*Frederic M. Petler*
