Re: William Kasbohm, d/b/a Wildfire
Re: Production and sale of trailers

Gentlemen:

Pursuant to your requirements under Section 49 CFR Part 565.5, I am now sending you this letter describing the codes contained in all of the positions of the VIN numbering system which will be used to identify vehicles manufactured by Wildfire which is a sole proprietorship operated by William Kasbohm of 166 Mine Road, Platteville, Wisconsin 53818.

Enclosed is a sample of a VIN number completed and included for the submission required herein. Characters 1, 2 and 3 in Section 1 World Manufacturer Identifier (WFI) are those characters assigned by SAE and are 1W9.

Characters No. 4 - 8 in Section 2 which is the Vehicle Description Section are as follows: (a) Character 4 is G (Type of trailer - Gooseneck); (b) Character 5 is the Series No (Series A); (c) Character 6 and 7 indicates the length of the trailer (24 ft); (d) Character 8 is the axle configuration (2 axles); (e) Character 9 is the check digit number which we completed after completing the other 16 characters.

Section 4 characters 10 - 14 are identified as follows: (a) Character 10 which is the model year is for 1995 - S; (b) Character 11 is the Plant location (Cuba City, Wisconsin - C; (c) Character 12, 13 and 14 are the manufacturer's identifiers assigned to us by SAE since the manufacturer will be producing less than 500 units per year; (d) Character 15, 16 and 17 are the production sequence numbers and we identify the first trailer as 001.
