In 2000, we will begin manufacturing one new trailer models. The attributes of the trailers will be identified as in the second section of the 17 digit VIN:

T16B Second Section 0000H

The second section character will describe the following:

Series	Type of Bed	Length	Axle Configuration
T16B	Flat bed btwn wheel	22' to 23'	2 axle single wheel

I am also including an updated record of the Manufacturer's statement to comply with part 566 Docket at NHTSA. If you have any questions, please call me.

Sincerely,

THE CHARLES MACHINE WORKS, INC.

Mike Dvorak
Product Manager
