Dear Mr. Crowhurst,

When you purchased your 5 x 10 utility trailer from us in May 2011, we assigned an incorrect VIN for the trailer. Since that time we have corrected our mistake and have generated the correct VIN for your trailer. Please accept our apologies and use the VIN below for all transactions concerning your trailer in the future.

Your old VIN was: MRTU1F91BBAMRT025
Your new corrected VIN is: 1P9M1UA13BJ684025

Sincerely,

Paul Pierson
