RE: 2012 Vantage Travel Trailer
VIN: 4YDT32Q20CK300130

Dear Jeff Nicklefork:

This letter is to confirm that Keystone RV Company, the trailer's manufacturer, made an error in assigning the VIN to your 2012 Vantage Travel Trailer. We affixed that trailer with "4YDT32Q20CK300130." The correct VIN should have been: "4YDT32S24CK300130." We believe that 18 U.S.C. 511 prohibits a person from changing a motor vehicle VIN once the vehicle has entered U.S. commerce.

We have faxed the National Highway Traffic Safety Administration (202-493-0073) a copy of this VIN error for its inclusion into the Federal VIN errors database. In addition, we have notified the National Insurance Crime Bureau (NICB) of the VIN error for the use of law enforcement at the state level (fax 708-430-2446).

If law enforcement or other interested personnel wishes additional information about this VIN error, they may call Keystone RV Company at (574) 535-2100 and ask for me.

We are sorry for any inconvenience this may have caused you or your customer. Thank you for your time and cooperation.

Very truly yours,

RE: 2012 Vantage Travel Trailer
VIN: 4YDT52Q20CK300158

Dear Dean:

This letter is to confirm that Keystone RV Company, the trailer's manufacturer, made an error in assigning the VIN to your 2012 Vantage Travel Trailer. We affixed that trailer with "4YDT32Q20CK300158." The correct VIN should have been: "4YDT32S24CK300158." We believe that 18 U.S.C. 511 prohibits a person from changing a motor vehicle VIN once the vehicle has entered U.S. commerce.

We have faxed the National Highway Traffic Safety Administration (202-493-0073) a copy of this VIN error for its inclusion into the Federal VIN errors database. In addition, we have notified the National Insurance Crime Bureau (NICB) of the VIN error for the use of law enforcement at the state level (fax 708-430-2446).

If law enforcement or other interested personnel wishes additional information about this VIN error, they may call Keystone RV Company at (574) 535-2100 and ask for me.

We are sorry for any inconvenience this may have caused you or your customer. Thank you for your time and cooperation.

RE: 2012 Vantage Travel Trailer
VIN: 4YDT32Q28CK300148

Dear Terry Shepard:

This letter is to confirm that Keystone RV Company, the trailer's manufacturer, made an error in assigning the VIN to your 2012 Vantage Travel Trailer. We affixed that trailer with "4YDT32Q28CK300148." The correct VIN should have been: "4YDT32S21CK300148." We believe that 18 U.S.C. 511 prohibits a person from changing a motor vehicle VIN once the vehicle has entered U.S. commerce.

We have faxed the National Highway Traffic Safety Administration (202-493-0073) a copy of this VIN error for its inclusion into the Federal VIN errors database. In addition, we have notified the National Insurance Crime Bureau (NICB) of the VIN error for the use of law enforcement at the state level (fax 708-430-2446).

If law enforcement or other interested personnel wishes additional information about this VIN error, they may call Keystone RV Company at (574) 555-2100 and ask for me.

We are sorry for any inconvenience this may have caused you or your customer. Thank you for your time and cooperation.

Very truly yours,

KEYSTONE RV COMPANY
