Re: Loadmaster Trailer Company LTD. Vin Number Correction

This letter is to inform all parties that Loadmaster Trailer Company Ltd made an error in assigning a VIN number to our 2003 trailer model 340R616OBRGN. We assigned that trailer number "1L9CB44333C237319." **The correct VIN number for this trailer is 1L9CB443X3C237319.**

We understand that 18 U.S.C. 511 prohibits a person from changing a VIN number once the trailer has entered U.S. commerce.

We have faxed the National Highway Traffic Safety Administration a copy of this VIN error for its inclusion into Federal VIN errors database. In addition, we have notified the National Insurance Crime Bureau of the VIN error for the use of law enforcement at the state level.

If law enforcement of other interested personnel wishes additional about this VIN error, they may call Loadmaster Trailer Company Ltd at 800-258-6115 and ask for Becky Tanner and we will gladly help you to the best of our ability.

In addition, Loadmaster Trailer Company Ltd wishes to advise you that there are no "unfulfilled safety recalls open for this vehicle."

Thank you for your patience in correcting this situation and helping Loadmaster Trailer Company Ltd work through this misunderstanding.

Cordially,

A handwritten signature in cursive script that reads 'Becky Tanner'.
