RE: Error Statement for the DMV

Please consider this document an ERROR STATEMENT regarding the following VIN number, which appears on the TRAVEL TRAILER.

The VIN number (1NL1GTK21A1044577) is stamped on the trailer is incorrect.

The Correct VIN number should have been (1NL1GTK2XB1044577).

This information will be submitted to the USDOT VIN error Database to be placed in USDOPT Doc 1-2-n11-E. This database is available for law enforcement and State registration personnel to verify the correct VIN number.

A copy of this letter will be placed in the permanent record file of this unit at Gulf Stream Coach, Inc.

The information has also been sent to

National Highway Traffic Safety Administration
Attention: VIN Coordinator
400 7th Street SW
Washington, DC 20590
Telephone: 202-366-6018

It is our opinion the US CODE 18USC511 states that we can not change this VIN Number once issued. However, we are required to issue a correction notice that will be placed ADJACENT TO the original VIN Tag on the exterior of the unit (Driver's side front of unit). NOTE: DO NOT REMOVE THE ORIGINAL TAG. DO NOT AFFIX THE CORRECTION NOTICE OVER THE ORIGINAL TAG.

We apologize for any inconvenience this may have caused.
