RE: ERROR STATEMENT FOR THE DMV

Please consider this document an ERROR STATEMENT regarding the following VIN number which appears on the 2004 Nash 24-5N travel trailer described below:

The incorrect VIN number is the ACTUAL VIN NUMBER:

VIN NUMBER: 4N15N242440201484

The correct VIN # should have been: VIN NUMBER: 4N15N242240201484

This is to clarify that the incorrect number is the actual serial number on the unit. A clerical error was made when assigning the check digit at the time the serial number was generated. The Federal Tag, Chassis Stamp, Certificate of Origin and State Tag Report all reflect the INCORRECT VIN NUMBER.

A copy of this letter and has been placed in the permanent record (unit packet) at Northwood Manufacturing, Inc.

If you or the DMV have any questions regarding this situation, please do not hesitate to call.

We apologize for any inconvenience this may have caused.

Sincerely,

TED SINCLAIR
Sales Manager
