Dear Sir:

This letter is to inform you that Tracker Marine made an error in assigning the VIN to your 2000 model year Tracker Trailstar boat trailer.

Our records indicate the serial # for this trailer was 14YBCAD24YT076790, when in fact, according to the form "Evaluating Vin For Compliance With Nhtsa Dot Requirements", the correct serial # for this trailer should have been 14YBCAD28YT076790.

It is our understanding that 18 U.S.C. 511 prohibits a person from changing a motor vehicle VIN once the vehicle has entered U.S. commerce.

We have faxed the National Highway Traffic Safety Administration a copy of this VIN error for its inclusion into the Federal VIN errors database. In addition, we have notified the National Insurance Crime Bureau of the VIN error for the use of law enforcement at the state level.

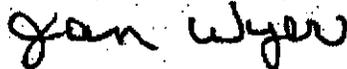

If law enforcement or other interested personnel wishes additional information about this VIN error, they may call 417-873-4788 and ask for Tricia Cusic.

For your information purposes, Tracker Trailstar trailer serial # 14YBCAD24YT076790 has never been subject to a manufacturers recall.

The serial number referenced was manufactured in compliance with all U.S. Federal Regulations in place at the time of manufacture. Please accept this as an official letter from the manufacturer.

Sincerely,

TRACKER MARINE GROUP
