Each label must have the following information:

1. The lettering of the label must contrast the label background;
2. The label shall contain the above statements in the English language, lettered in block capitals and numerals not less than three thirty-seconds of an inch high, in the order shown.
  - A. Name of Manufacturer: "Manufactured By" or "Mfd By."
  - B. Month and year of manufacture: This shall be the time during which work was completed at the place of main assembly of the vehicle. It may be spelled out, as "June 1970," or expressed in numerals, as "6/70."
  - C. "Gross Vehicle Weight Rating" or "GVWR," followed by the appropriate value in pounds, which shall not be less than the sum of the unloaded vehicle weight, rated cargo load, and 150 pounds times the vehicle's designated seating capacity.
  - D. "Gross Axle Weight Rating" or "GAWR" followed by the appropriate value in pounds for each axle, identified in order from front to rear.
  - E. The statement: "This vehicle conforms to all applicable Federal motor vehicle safety standards in effect on the date of manufacture shown above." This expression "U.S." or "U.S.A." may be inserted before the word Federal.
  - F. Vehicle Identification Number
  - G. The type classification of the vehicle as defined in 571.3 of this chapter (motorcycle or motor-driven cycle).
