RE: 49 CFR Part 566, Manufacturer Identification

**Owner of the Company:** Boylan Sales, Inc. shareholders – James C. Boylan and Patrick T. Boylan

**City of Incorporation:** Boylan Sales, Inc. is a Plainwell, Michigan Corporation and is registered in the state of Florida

**Product Manufactured:** Boylan Sales builds Low Speed Vehicles (LSV) using a Yamaha golf car chassis and is modified using parts from U.S. suppliers. The modification is done at our facility in Delray Beach, FL. The modifications required are done using simple hand tools, such as adding mirrors, lights, and high-speed gears (necessary to achieve 20-20mph).

**GVWR:** The gross vehicle weight ratings (GVWR) of our products range from 1000 lb to 1380 lb.

Signed:

Typed Name: Patrick T. Boylan
