NTEA personnel

We would like to submit a request to register as a final stage motor vehicle manufacturer as required by 49 CFR Part 566. Our company information is as follows:

Car-Tex Trailer Company, Inc.  
2786 South East Loop  
Carthage, Texas 75633

We are incorporated in the state of Texas. We engage in final stage installation of metal utility beds and service bodies. The trucks we complete range from 7,000 lbs. to 33,000 lbs. GVWR. We do not do any alterations or intermediate stage manufacturing.

We would like to request from the NHTSA written confirmation that we have submitted the required Manufacturer Identification information and that we are now registered.

Thank You
