- Completed Vehicle Manufacturer - a manufacturer of vehicles that require no further manufacturing operations to perform their intended functions
 Incomplete Vehicle Manufacturer - a manufacturer of vehicles, as described above
 Intermediate Manufacturer - a manufacturer (other than the incomplete vehicle manufacturer or final stage manufacturer who performs manufacturing) operations on a vehicle manufactured in two or more stages
 Final-Stage Manufacturer - a manufacturer who performs such manufacturing operations on an incomplete vehicle that it becomes a complete vehicle
 Alterer - a person who alters by addition, substitution, or removal of components (other than readily attachable components), a certified vehicle before the first purchase of the vehicle other than for resale

Instructions for Completing, Revising, and Submitting Your Information

49 CFR Part 566 requires that a manufacturer of motor vehicles and regulated motor vehicle equipment items to NHTSA not later than 30 days after manufacturing begins, information about the company and the products it manufactures. This suggested form will assist a manufacturer to comply with Part 566. Please complete the form by typing or clearly printing. Each manufacturer who has submitted this information must keep its entry current, accurate, and complete by submitting revised information not later than 30 days after the relevant changes in its business occur.
