Re: Registration as a manufacturer
under Title 49, Chapter V, NHTSA,
Department of Transportation,
Part 566

Gentlemen:

Please be advised that the company named below is a final-stage manufacturer as defined in NHTSA regulations.

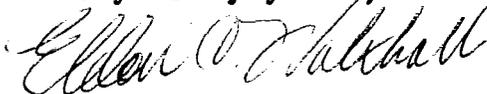

Company name: C & W Truck & Equipment Co., Inc.

Company address: 14080 Orange Ave., Paramount, Calif. 90723

State of Incorporation: California

Type of vehicle manufactured: final-stage manufacture of petroleum tank trucks with gross vehicle weight rating ranging from 10,000 to 25,000 pounds. Manufacturing process generally consists of installing tank body on truck chassis and outfitting body with pumping system.

Very truly yours,

Eldon C. Walthall
