Reference: Request to update Part 566 –Tread Corporation

Dear Mr. Coleman,

I am writing this letter to follow up a request that was made by our Mr. Lee Williams following his phone conversation and letter dated June 20, 2007 requesting an update on the Manufacturer Identification Database.

I recently reviewed the database page and it still noted the original information that pertained to Tread Corporation.

If possible could you please update the database to reflect our Part 566 section to reflect the following information on our company..

**Manufacturer Name:** Tread Corporation  
**Address:** 176 East Park Drive  
Roanoke, Virginia 24019  
**Inc. St:** VA  
**Product Type:** Truck  
**GVWR Range:** 24,000 to 94,000  
**Date:** 26 June, 2008

If additional information is required please feel free to contact me.

Sincerely,

Dean J. Davison
