Subject: Vehicle identification number (VIN)

Sir/Madame,

To comply with Part 565 of the National Highway Traffic Safety Administration, please take acknowledgement of the following information concerning a change to the fifth character representing the vehicle structure style.

The number 3 will still represent an "Integral structure of 102 in. wide". However the letter S will represent a structure with "Slide Outs Prevost make".

Should you need any further information on this subject, please do not hesitate to contact me,

Sincerely,
