Attn. VIN Coordinator/Mr. David Coleman

Subject: VIN Decoding Information for SHANGHAI SHENKE MOTORCYCLE CO LTD

Dear Mr. Coleman,

In July 2008, Shanghai Shenke Motorcycle Co Ltd submitted a set of VIN decoding information to NHTSA and the submitted information is released in the NHTSA internal database of motor vehicle manufacturers as <ftp://ftp.nhtsa.dot.gov/mfrmail/org4307.pdf>. But unfortunately due to the big mistakes done by our technical personnel, the submission contains seriously wrong VIN decoding information to the units produced and distributed by Shanghai Shenke Motorcycle Co Ltd before and during the procedures of the manufacturer's rename and the address change. As the **OWNER** of **SHANGHAI SHENKE MOTORCYCLE CO LTD**, I hereby earnestly request you to withdraw the wrong VIN decoding submission ORG4307 and replace it with the correct one as shown in Appendix 1 below.

In 2007 and 2008, **SHANGHAI SHENKE MOTORCYCLE CO LTD** underwent the procedures of name and address change, according to the strategic development plan of the company. With the approval by **NATIONAL DEVELOPMENT AND REFORM COMMISSION OF THE PEOPLE'S REPUBLIC OF CHINA**, the company has been renamed to **ZHEJIANG JMSTAR SHENKE MOTORCYCLE CO LTD** and the address has been moved from **SONGJIANG SHANGHAI** to **LUQIAO DISTRICT TAIZHOU CITY OF ZHEJIANG PROVINCE** (see Appendix 2). Beside the name and address change, nothing else has ever been changed, i.e., the ownership has not been changed and all other legal and technical documentation remain the same. In another words, **ZHEJIANG JMSTAR SHENKE MOTORCYCLE CO LTD** is the **LEGAL** and **TECHNICAL INHERITOR** of **SHANGHAI SHENKE MOTORCYCLE CO LTD** (see Appendix 3 to 6 for further reference). Zhejiang Jmstar Shenke Motorcycle Co Ltd has inherited the WMI from Shanghai Shenke Motorcycle Co Ltd and uses the same technical standards including VIN decoding rules in the producing and quality control procedures as its former.

I hope that I have clearly explained the VIN issue of Shanghai Shenke Motorcycle Co Ltd and the relationship between the two different Shenke. I also sincerely hope that my request of correcting the VIN submission ORG4307 will be approved and released as soon as possible. I thank you very much for your understanding and kind cooperation!
