RE: VIN Coding System for 2010 Toyota Vehicles

Dear Mr. Medford:

Last fall, pursuant to 49 CFR Part 565, "Vehicle Identification Number Content Requirements", on behalf of Toyota Motor Corporation, we submitted information on the Vehicle Identification Number Coding System applicable to the 2010 model year Toyota Matrix.

We are now submitting a Supplement containing a correction to that submission. The Geographic Area and Country is North America, Canada, not United States.

Please replace the previous submission with this Supplement.

Thank you for your cooperation.

Sincerely,

TOYOTA MOTOR NORTH AMERICA, INC.
