NEW • USED • RENTALS • SERVICE/PARTS • TARPS • WET KITS

Type of Ownership: Kansas Corporation

City of Incorporation: Stockton, Kansas

Products Manufactured: Wilkens Manufacturing, Inc. builds highway trailers that have a live floor. This floor is made with slat material or belt driven which moves the load from front to rear for dumping the load.

GVWR: The gross vehicle weight ratings (GVWR) of our products range from 10,000 lbs to over 100,000 lbs.

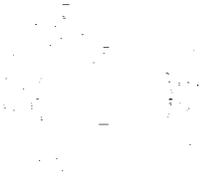

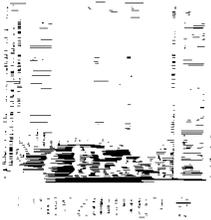

Rear Impact Protection: In addition, Wilkens Manufacturing, Inc. builds rear impact protection in accordance with FMVSS #223.

Signed: Arthur L. Wilkens Date: 1-26-09
