**Subject: Manufacturer Identification Letter
 Confirmation of Registration as an Altered Stage Manufacturer**

To Whom It May Concern:

Integrated Tower Systems (the "Company") is requesting written confirmation from NHTSA that it has satisfactorily submitted the information required by 49 CFR Part 566 and is registered as an Altered Stage Manufacturer.

The Company intends to alter trucks by installing antennas, generators, equipment cabinets and related accessories on flatbed truck bodies.

The GVWR or the flatbed trucks to be altered range in capacity from 19,500 lbs to 33,000 lbs.

Respectfully,
Integrated Tower Systems-ITS
