RE: ERROR STATEMENT FOR THE DMV

Please consider this document an ERROR STATEMENT reguarding the following VIN number which appears on the 2003 Model HDBX224 Hoosier Trailer described below.

The incorrect VIN number is the ACTUAL VIN NUMBER
VIN NUMBER: 1HU1RA12131010055

The correct VIN number should have been: VIN NUMBER #1HU1RA12031010055

This is to clarify that the incorrect number is the actual serial number on the trailer. A clerical error was made when assigning the check digit at the time the serial number was generated. The Federal Tag, Trailer Serial Plate, Certificate of Origin and State Tag Report all reflect the INCORRECT VIN NUMBER.

A copy of this letter has been placed in the permanent record file at Spreuer and Son, Inc.

This information has also been sent to:
