RE: 49 CFR Part 566, Manufacturer Identification

Owners of the Company: Enerflow Industries, Inc.

City of Incorporation: Wilmington, Delaware.

Product Manufactured: Enerflow Industries is a final stage manufacturer of oilfield service trucks and semi-trailers. We utilize components purchased from US suppliers to complete the truck or semi-trailer. Proprietary components are fabricated in our manufacturing plant in Broken Arrow, OK. The trucks and semi-trailers are delivered as certified vehicles. We do not make any alterations to the certified vehicles. Our components and sub-assemblies are bolted to the vehicle frame work in such a manner to avoid interference with the certifications.

GVWR: The GVWR of our products range from 18,000 lb to 150,000 lb.
