Louis A. DeVivo Secretary, Treasurer

DATTCO is incorporated in New Britain, CT, USA

DATTCO, Inc. operates, sells and services; school buses, motor coaches and transit buses. During the course of our business we occasionally have reason to modify such vehicles to meet our own needs or to meet the needs of customers. Such modifications may include but are not limited to reconfiguring interior seating, interior layout, chassis modifications and wiring.

DATTCO will be performing work on both first retail and used buses. Therefore, DATTCO would prefer to be recognized as an alterer. At this time, DATTCO does not intend to perform work as a final stage manufacturer.

The gross vehicle weight ratings of the vehicles we service range from 4,000 lbs to 58,000 lbs.
