RE: 49 CFR Part 566, Manufacturer Identification

Owners of the Company: Marshall & Erin Royalty

City of Incorporation: Seymour, IN

Product Manufactured: Crane Hill Machine & Fab., Inc. manufactures a variety of utility trailers using various types of steel construction. We primarily use square tubing welded together to form the framework and we use wood or expanded metal for the floor. All utility trailers are manufactured complete and ready to use at our facility. All material is purchased from US suppliers and none of our products are exported out of the US.

GVWR: The gross vehicle weight ratings (GVWR) of our products range from 500 pounds to 20,000 pounds.

A handwritten signature in cursive script that reads "Marshall Royalty".
