Owner of the company: Edward Rickey Summers

City of Incorporation: Rick's Fabrication & Design, LLC is incorporated in Salem, Oregon

This company, formerly Summers Fabrication & Design, LLC, WMI Code 1S9/895, (letter attached) has been moved from Oregon to California but operates the same way building the same trailers under the same management.

Product manufactured: Rick's Fabrication & Design builds custom trailers not of RV habitability, but for hauling of boats, equipment, etc. All trailers are welded from either steel or aluminum. Ales, wheels and tires are purchased from certified manufacturers and assembled by RFD and sold as complete units.

GVWR: All trailers are made to be used as 26,000 pounds GVWR and under.
