Re: 49 CFR Part 566, Manufacturer Identification

In accordance with 49 CFR part 566 Manufacturer Identification, CT&T America, Inc. hereby submits information as follows:

Manufacturer: CT&T America, Inc.
3950 Paramount Blvd. Suite #115
Lakewood, CA 90712

State of Incorporation: California

Product Manufactured: CT&T America, Inc. will build electric vehicles initially using aluminum frame, electric motor and controller purchased from Korea. The company plans to develop parts locally for use in the assembly.

Some vehicles are delivered as certified kits with nuts, bolts and other components to be assembled in the plants in California.

GVWR: The gross vehicle weight rating (GVWR) ranges from 1,800 to 2,800 lbs.

If there are any questions, please contact the following person:

Chris Kim
Director of Manufacturing
CT&T America, Inc.
