RE: Transportation Vehicle Manufacturer Identification

Dear Sir:

Per Section 566.5 of CFR 49, please be advised of the following identification information for First Auto Works, Changchun, China (PRC), for whom DTM International, Inc. will act as U.S. agent:

Name: First Auto Works dba
Jiefang Automotive Industry Import & Export Corporation

Address: Dong Feng Street
Changchun, Jilin Province
People's Republic of China

Vehicle Description: CA 141 5 Ton "work ready" trucks
CA 341 5 Ton "work ready" dumper
Gasoline or Diesel Engine

Specifications: See enclosed specification sheet

NOTE: FAW produces approximately 15 different models of light, medium and heavy duty trucks and buses. The abovementioned trucks are the only models being imported for testing at the present time. In future, as conditions warrant, DTM International, Inc. may wish to register additional models for importation and testing.

We will be forwarding pertinent VIN information when our coding system is registered with the SAE. In the meantime, I have sent along a copy of our submission to the SAE for filing.

Thank you for your prompt attention to this matter.

Sincerely,

David B. Walters
