Dear [REDACTED]

We are writing in response to your request for information regarding a manufacturer's recall or a special service campaign that would involve your 2007 Camry.

We have checked the serial number of your vehicle, XXXXXXXXXXXXX, with our records and determined your vehicle is involved in Special Service Campaign (SSC) 70F, Camry All Weather Mats Accessory. Per our conversation on (date), you have confirmed this vehicle does not have All Weather Mats. Since the SSC is on the accessory and not the vehicle, your 2007 Camry, VIN XXXXXXXXXXXX, is not affected by this SSC.

If you have any questions, please do not hesitate to contact our office at 800-331-4331.

Sincerely,

Eddie Campos
