Warning on instructions

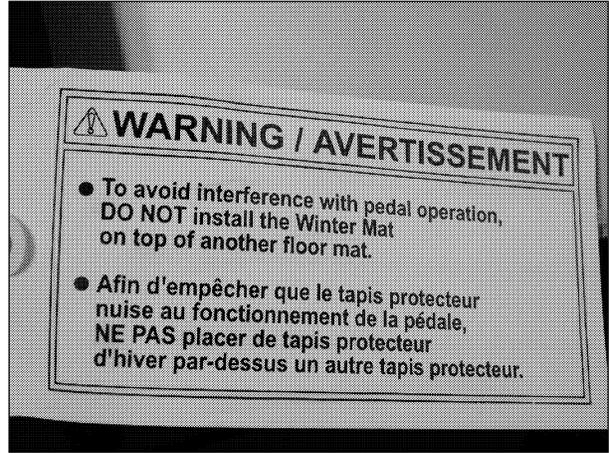

1. Move driver's seat to rearmost position.
 2. Remove existing mats from vehicle.
 - ⚠ Failure to do this could result in an interference with the foot controls.
 3. Position mat under pedals.
 4. Lift rear corners of the mat away from the floor. Slide mat rearwards until hole in the floormat is directly over the hook located on the carpet.
 5. Install mat to carpet, hooking the mat on the hook and slide forward until floormat is "locked" in place.
- USAGE**
6. To remove mat, pull mat toward driver's seat and upwards off the hook.
