A growing number of people are complaining about their 2007 Toyota Tacomas.

Problems with the vehicle include a sudden acceleration, even when drivers said they pressed on the brakes.

Working with NBC station WSMV of Nashville, Tenn., KCRA 3's Lynsey Paulo found more than 20 complaints about the Tacoma have been filed with the National Highway Traffic Safety Administration, and a federal investigation into the problem is now under way.

In a heated Chuck Norris vs. Vin Diesel debate.....
