Subject: Tacoma DP Media Article.

DZ,

FYI - Bloomberg posted a short two sentence article in Canada regarding the Tacoma DP. Please find the article below in text and as a PDF attachment.

Best regards,

Kirk

Tacoma pickups being investigated
Bloomberg News

February 7, 2008

The U.S. National Highway Traffic Safety Administration said it's examining Toyota's Tacoma pickup trucks from model years 2006 and 2007 after a complaint of spontaneous and uncontrolled acceleration.

The probe may affect 362,000 vehicles.
