Toyota Orders Inspections After Deadly SoCal Crash

By THE ASSOCIATED PRESS
Published: September 15, 2009**Filed at 4:29 p.m. ET**

LOS ANGELES (AP) -- [Toyota](#) said Tuesday it will order all dealers to inspect their cars for mismatched floor mats after a mat was suspected of snagging a gas pedal on a runaway Lexus, ending with a fiery crash that killed four family members in San Diego County.

Toyota Motor Sales, USA Inc. planned to issue an order Wednesday to about 1,400 Toyota and Lexus dealers nationwide to make sure each of their new, used and loaner vehicles had the proper floor mats and that the mats were properly secured, said Brian Lyons, a spokesman for the Torrance-based company.

Customers who are concerned should also make sure they have the proper mats.

"If there's any doubt in their mind about the security and shape of their mat, go ahead and visit the dealer" to have them checked, Lyons said.

California Highway Patrol Officer ██████████ 45, and three others were killed Aug. 28 on State Route 125 in Santee, a town near San Diego. The runaway car was doing more than 120 mph when it hit a sport utility vehicle, launched off an embankment, rolled several times and burst into flames.

The SUV driver was treated for moderate injuries.

In addition to ██████████, who was a 19-year CHP veteran, the crash killed his wife, ██████████ 45; their daughter, ██████████ 13; and ██████████ brother-in-law, ██████████ 38.

██████████ made a 911 call about a minute before the crash to say the vehicle had no brakes
