

RIGHT-OF-WAY

Reviewers --- another option for this activity is to (a) take out all the stop signs in the diagrams or (b) keep this activity as is and make another page that looks like this one but no stop signs included and follow a different set of instructions and actual scenarios.

Directions: In small groups, determine who has the right-of-way on the three right-of-way rules: First to Stop = First to Go; First to Stop Goes First; or Straight Traffic Goes First.
