Dear Mr. Sachs

This letter is submitted as required by Part 566 of the Code of Federal Regulations, Title 49 on behalf of the company listed below to update the information currently on file with your office and to request a confirmation letter which will allow this manufacturer to ship to Canada. In searching your database, their Part 565 information is incomplete and they do not appear under Part 566.

The corporate name and address is:           Marathon Homes Corporation

The company is incorporated in the State of Indiana.

They build trailers with Gross Vehicle Weight Ratings of less than twenty-two thousand (22,000) pounds.

Attached is a sample of the compliance label which is applied to each unit manufactured.

We would appreciate receiving a letter verifying compliance with your notification requirements which we can forward to Transport Canada to meet their requirements.
