RE : 49 CFR Part 566, Manufacturer Identification

**Owner(s) of the Company:** Shareholders

**City of Incorporation:** DLH Industries, Inc is incorporated in Canton, Ohio; USA

**Product Manufactured:** In the scope of the 49 CFR part 566, DLH Industries, Inc manufactures Airbrake tubing, Brake Booster Vacuum formed tube products, and Brake Booster Vacuum Hose/Tube Assemblies. Each assembly design is specific to a particular vehicle routing for a particular vehicle program/platform. Depending on the specific assembly design, each assembly can utilize a combination of DLH Internally manufactured items (ie – extruded tubes, formed tubes, molded components, etc) and/or a combination of purchased items (ie – check valve assemblies, protective sleeving, vacuum sensor, formed rubber hose, etc).

**GVWR:** DLH is a motor vehicle equipment manufacturer and not a motor vehicle manufacturer.

**Signed:**

*David O'Neal*

**Capacity of Signatory:** Engineering Director

**Date:** November 11, 2010
