RE: Part 565 – Vehicle Identification Number 2010 Subaru Models - Revision B

Dear VIN Coordinator:

Pursuant to 49 CFR 565.16(d), Fuji Heavy Industries USA, Inc. submits the attached information necessary for NHTSA to decipher the characters contained in the vehicle identification numbers ("VINs") on model year 2010 Subaru vehicles sold in the United States. *This attachment pertains to the Subaru Forester model.*

The enclosed VIN decoder chart is identical to the one provided in our previous letter dated June 9, 2010 (Ref No.: GR10-012A). The purpose of this submission is to notify NHTSA of a typo in the cover letter, which incorrectly identified the information as pertaining to the 2011 Model Year Subaru Forester when, in fact, this information applies to the 2010 Model Year Subaru Forester.

If you have any questions, do not hesitate to contact me at (410) 884-4075.

Sincerely,

John Frooshani
