Re: Peterbilt Motors Company VIN Designator Change
Kenworth Truck Company VIN Designator Change

Dear Sir or Madam:

Pursuant to the requirements of 49 C.F.R. 565, PACCAR Inc hereby submits the following amendments to its vehicle identification coding system for Peterbilt and Kenworth vehicles:

For Peterbilt Vehicles Only:

Section II, Position 6 (Engine) for Peterbilt vehicles.

This revision has 2 components which affect the 6th VIN position.

1. This revision revises character "W" of the 6th VIN position from "Westport ISX-G" to the proper naming convention of "Westport GX"
2. This revision adds the Cummins X11.9G to character "H" of the 6th VIN position.

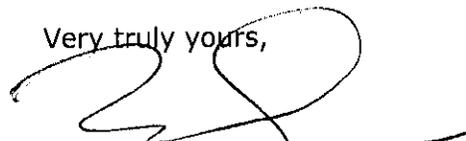

For Kenworth Vehicles Only:

Section II, Position 6 (Engine) for Kenworth vehicles.

1. This revision adds the Cummins X11.9G to number "3" of the 6th VIN position.

Please let me know if there are any questions.

Very truly yours,

Brian Van Bodegraven
Claims Manager
