Owner of Company: Allen L. Eng

City of Incorporation: Oklahoma City, Oklahoma, USA

Product Manufactured: TTS builds terminal tractors, a product specifically designed for short distance repositioning of semi-trailers and container chassis in terminal, warehousing and fleet environments. Terminal tractors are intended primarily for off-highway low speed use on private property. Tractors are assembled of components produced in our plant or provided by US manufacturers and distributors.

GVWR: The gross vehicle weight ratings (GVWR) of our products range from 34,000 lbs for the lightest on-highway application to 54,000 lbs for heavy off road application.
