**Owner(s) of the Company:** Scott W. Biggers  
 Holly F. Biggers

**State of Incorporation:** Colorado

**Product Manufactured:** Conversion of vehicles to operate on alternative fuels. Conversion systems include engine components, fuel lines, fuel tanks, and mounting brackets. All components, fuel lines, and fuel tanks are purchased from manufacturers or distributors. Brackets may be purchased with components, from companies specializing in bracket manufacturing, or manufactured in-house.

FuelTek is also 1) a maintenance facility providing general automotive repair especially on alternative fuel systems installed either by OEM (factory) or by other conversion facilities; and 2) a parts reseller for specialty parts associated with alternative fuels such as CNG or LPG.

**GVWR:** The GVWR of our products range is that of the original vehicle provided by our customers for conversion. Typically, vehicles are pick-up trucks and vans (light duty to heavy duty pick-up trucks) ranging in GVWR up to 14,000 lbs. We do not alter the GVWR of a vehicle.
