RE: Part 556 Manufacturer Identification

Badger Daylighting Inc.

Company ownership: Publically Traded/Shareholder owned

Location of Incorporation:

6740 65<sup>th</sup> Avenue

Red Deer, Alberta

T4P 1A5

(403) 343-3774

Product Manufactured: Hydrovac truck bodies, including hydraulic and electrical systems installed onto purchased truck chassis at Badger Daylighting Inc. Red Deer facility. Components and metal products purchased in Canada, U.S.A., and abroad.

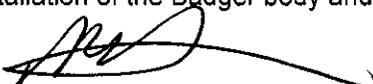

A label as Final Stage Manufacturer shall be affixed to the driver side door post bearing vehicle information, weights, and National Safety Mark.

The Badger Daylighting Inc unit number is affixed to each side of the exterior of the vehicle.

Completed vehicles are sold to our US Corporate office in Pittsboro, In. for the purposes of legal registration in the United States. These vehicles are not sold outside the company.

GVWR: through the installation of the Badger body and components, the rated GVW is not exceeded.

Signed: Milton Friesen
